Why choose Nurseplus?

Quality care starts with quality staff.

Take a look at just some of the ways in which we ensure only the most qualified and dedicated staff are ready to support you and your team.

Nurseplus

vs

Others

Practical, industry-leading, mandatory classroom training

CQC-standard recruitment process for peace of mind

Dedicated local support from an experienced team

Free out of hours on-call service provided

Enhanced DBS and Right to Work checks carried out

May offer little or no specific training to care staff

May outsource recruitment or have poor practices

May have no support or carried out centrally

May be no on-call service or an additional charge

May rely on sponsorship & additional checks for client
